**STATEMENT OF SUBSTANCE OF INTERVIEW**

MS Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This communication is in response to an Interview Summary received by the Applicant from the Office dated March 19, 2008. The Interview Summary states that a statement of the substance of the interview is due 1 month from the date of the interview, March 14, 2008, or one month from the mail date of the Interview Summary, March 19, 2008, whichever is later. Accordingly, this statement is due on April 19, 2008, and is timely filed.

**REMARKS**

The Examiner issued an Interview Summary regarding telephone messages of March 14 2008, between Applicant's representative Christopher Eide and Examiner Lowe, which states that: "Applicant called and asked whether his after-final amendment made the case allowable because nothing showed in PAIR. The examiner stated that according to PALM a notice of allowance was mailed out today." Applicant agrees with the summary provided by the Examiner, and adds that no claims were discussed, no art was discussed, and no agreement was reached (as the call was merely informational in nature regarding the status of the Notice of Allowance).

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 249212023500. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: April 2, 2008
